

Miss Ziemba's 4th Grade Newsletter

Week of December 2nd, 2019

I hope you had a great Thanksgiving break! This week we will continue learning about division. Please review and practice multiplication facts with your child nightly. We will be reading an excerpt from *The Cricket in Times Square* this week. As we read, we will focus on the comprehension skill of point of view and the comprehension strategy of visualizing while using context clues to help us determine the meaning of words.

We have a science test on December 5. A study guide will be completed in class today, Monday December 2. In Social Studies we are learning all about the Iroquois.

I will be sending home parent teacher conference reminder forms at the end of this week. Parent teacher conferences begin next week. Please check our classroom website. You can access it through the Mechanicville website or using the link below. As a reminder, the best way to reach me is via email, a note or the Remind app. Have a great week!
