

Miss Ziemba's 4th Grade Newsletter

Week of October 15th, 2019

I hope you had a great long weekend. This week we will be finishing our review of addition and subtraction. Please review and practice multiplication facts with your child nightly. We will be reading *Dollars and Sense*. As we read, we will focus on the comprehension skill of main idea and key details and the strategy of re-reading. There will be vocabulary and spelling tests on Friday.

In Science, we will learn about mixtures and solutions. In Social Studies we finished our unit on geography last week. We completed a study guide for our geography test on Tuesday, October 8. The geography test is on Thursday, October 17.

Please check our classroom website. The link is written below. You can also access it through the Mechanicville website. As a reminder, the best way to reach me is via email, a note or the Remind app. Have a great week!
